## TRENDS IN HIGHER EDUCATION

Four trends occurring across the Education segment, and their impact on higher education.

### 1. PRIORITIZING HEALTH & WELLNESS

Nap Nooks: dedicated mental rejuvenation spaces to disconnect digitally and improve “digital wellness.”

### 2. DESIGNING FOR THE NEXT STAGE

Apartment Living: designing dorms to look and feel like apartments.

### 3. EVER-DEVELOPING TECHNOLOGY

“New” Libraries: walls of books are giving way to spaces for digital research and collaboration.

### 4. CREATING FLEXIBLE SPACES

Student & Innovation Hubs: drawing students together in common areas for academic and non-academic purposes.
