

Exchange<sup>™</sup>  
Luxury Flooring

# Energy in Motion

---

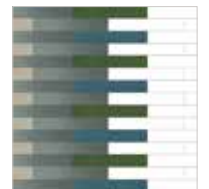

Ever moving and changing, energy can transform a physical space. Catalyze an exchange of positive energy between tangible and intangible with purposeful movement of color.

Exchange™ was created to invigorate and inspire with soft pastels and rich, saturated tones that complement a visual texture designed to add depth and interest.

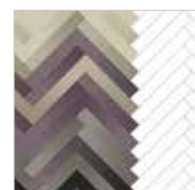

## Recommended Installation Methods

Ashlar

Brick

Herringbone

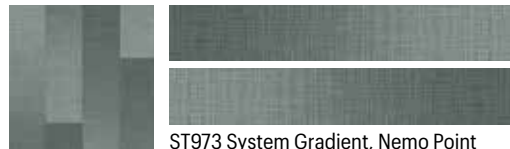

Stagger

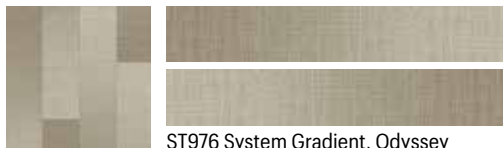

**System Gradient** features a subtle ombre effect across a 6 in. x 36 in. plank in a soft color palette, mimicking the flow of light through space and creating a sense of clean comfort.

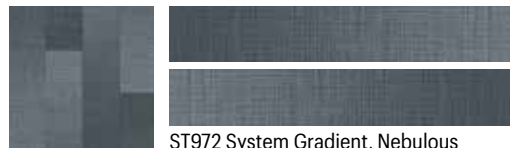

ST977 System Gradient, Milky Way

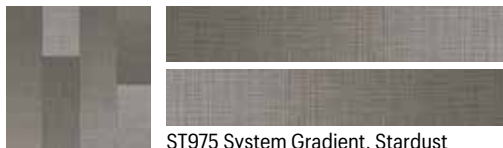

ST973 System Gradient, Nemo Point

ST976 System Gradient, Odyssey

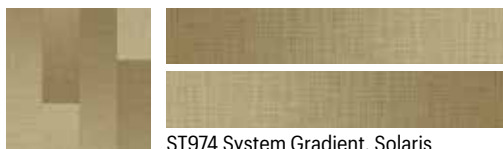

ST972 System Gradient, Nebulous

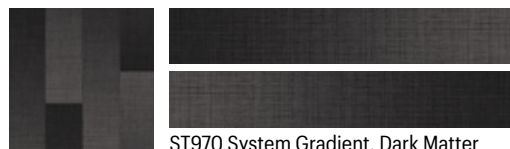

ST975 System Gradient, Stardust

ST971 System Gradient, Event Horizon

ST974 System Gradient, Solaris

ST970 System Gradient, Dark Matter

# Building Better

---

We share your commitment to transparency and building a better environment together.

- Low VOC emissions and FloorScore® certified
- Free of ortho-phthalates and heavy metals
- Recyclable through the On&On® Recycling Program
- Health Product Declaration (HPD) and third-party certified Environmental Product Declaration (EPD) available
- Made in the USA with global and domestic content

Available in a 6 in. x 36 in. plank, **Static** offers consistent saturation of color in a variety of neutrals and bright pops of color that can stand alone or be used as a collaborative accent.

ST901 Static, Amped Yellow

ST902 Static, Capacitor Orange

ST904 Static, Blue Screen

ST912 Static, Greenlight

ST905 Static, Motherboard

ST906 Static, Mainframe

ST913 Static, Selenium

ST909 Static, Going Dark

ST900 Static, White Noise

ST960 Static, Bakelite

ST961 Static, Stereo Brown

ST964 Static, Nimbus

ST965 Static, Broadcast Blue

ST963 Static, Scattered Skies

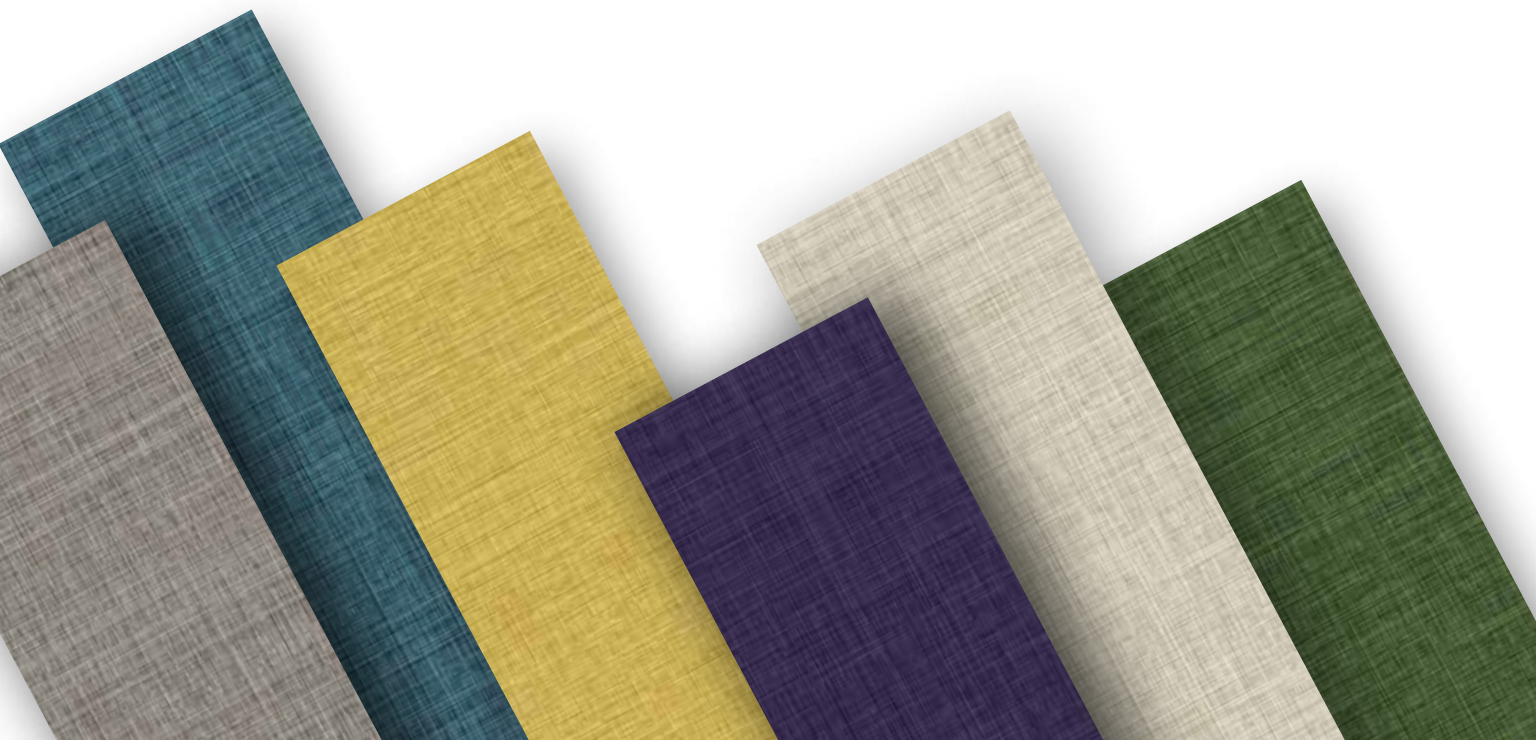

ST910 Static, Cathode Gray

ST907 Static, Thunderstorm

ST911 Static, Off the Grid

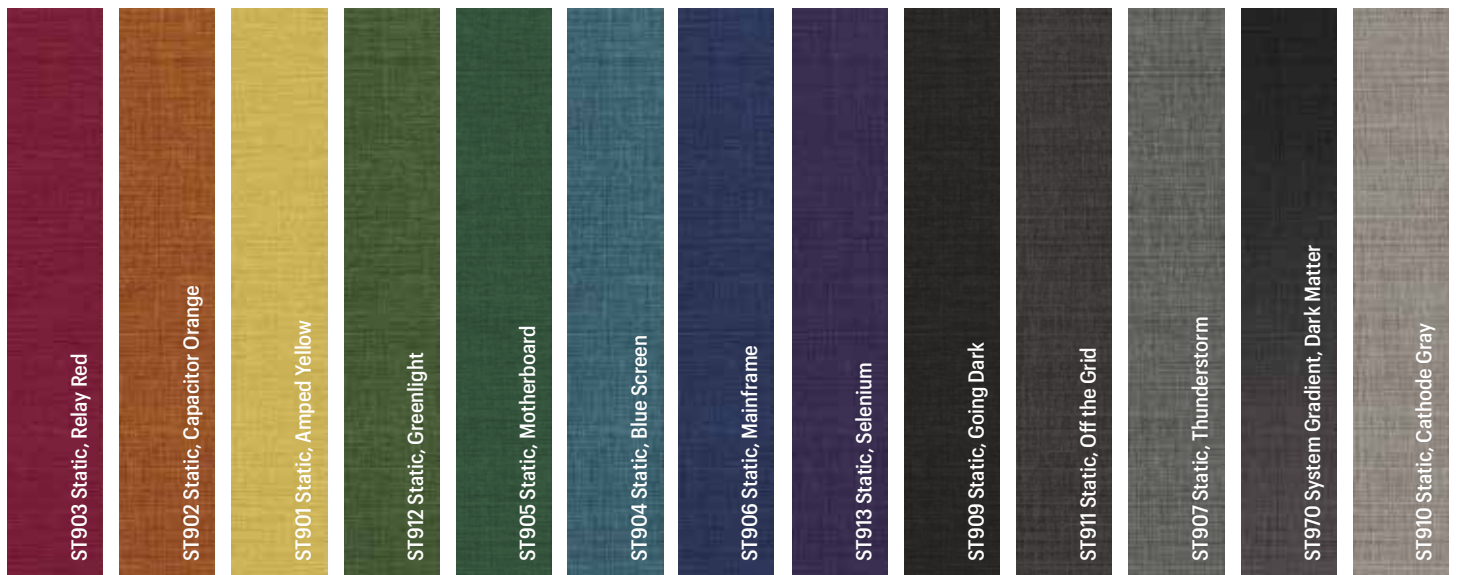

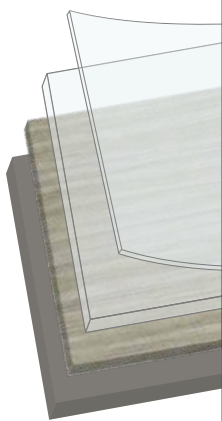

# Breakthrough Innovation

---

Diamond 10® Technology is a patented innovation that uses cultured diamonds to provide the ultimate in scratch, stain, and scuff resistance.

With Diamond 10 Technology, you'll never compromise the look you want for the durability you need. Made to stand up to the wear and tear of commercial settings, this low-maintenance solution keeps floors looking newer, longer.

**1. Diamond 10® Technology**

Patented innovation that uses cultured diamonds to provide category-leading scratch, stain, and scuff resistance from edge-to-edge

**2. Rigid Wear Layer**

The combination of Diamond 10® Technology and the unique rigid wear layer results in enhanced durability and abrasion resistance

**3. Realistic Printed Visual**

**4. Foundation Layer**

**5. Eased Edge**

Designed to blend seamlessly into the next plank for ease of maintenance and cleanability

**20 Year Commercial Limited Warranty**

Supported by a 20 Year Commercial Limited Warranty. Add 10 years of overall warranty coverage by using Strong System™ subfloor preparation products. Visit [ArmstrongFlooring.com](http://ArmstrongFlooring.com) for more information.

## Product Information

**Construction** - Solid Vinyl Tile (Luxury Vinyl Tile / LVT)

**International Specifications** - ASTM F1700, Class III,  
Type B, embossed surface

**Overall Thickness** - 2.5 mm / 0.100 in.

**Wear Layer Thickness** - 20 mil / 0.020 in.

**Size** - 6 in. x 36 in.

**Factory Finish** - Diamond 10® Technology

**Installation** - Adhesives: S-1000, S-995, S-319 Roll Strong™

**Maintenance Options** - No Polish – No Buff, Polish Optional

Color and visual variation is inherent in all resilient products. Prior to installation, we recommend reviewing multiple tiles.
