Classics

A Beautiful Solution

DecorArt® Rejuvenations™ Classics performs beautifully in demanding spaces while offering a selection of on-trend colors and patterns. Ideal for healthcare patient rooms, corridors and cafes, college and university union centers and group lounges, retail buying destinations, and hospitality and corporate lobbies. The collection includes textiles, travertines, concretes and warm woods.

Sustainability

- Ortho-Phthalate and heavy-metal free
- Low VOC emissions and FloorScore® certified
- Meets WELL Building Standards requirements for Cleanable Environments, VOC Reduction, Toxic Material Reduction, Biophilia I Qualitative and Material Transparency
- Third-party certified Environment Product Declaration (EPD)
- Meets requirements of LEED® V4 Material Ingredient credit
- Recyclable through the On&On™ Recycling Program

Durable Performance, Easy Maintenance

Rejuvenations™ Classics is the perfect choice for the demands of commercial environments. Suited for areas where infection control is a concern, this easy-to-clean vinyl sheet improves impermeability and contributes to a sanitary, more aseptic environment when combined with flash coving and weld rods. For non-aseptic spaces, Armstrong® S-761 Seam Adhesive can be used to save you time and money.

Rejuvenations Classics has a UV-cured polyurethane coating that resists soil, stain, scratches, scuffs and abrasions, as well as chemicals and damage from alcohol-based hand sanitizers. The low-maintenance coating eliminates the need to polish or spray buff, saving time and money to reduce life-cycle costs.
