

Safety Zone Slip-Retardant Tile

57000 Earth Stone

# How It Works

Safety Zone™ Tile is made with an embossed surface embedded with proprietary particles for exceptional slip-retardant performance, with colors and patterns that provide hiding power against scuffs, scratches, and abrasion.

No specialized maintenance required; follow traditional VCT maintenance protocols including the application of polish and periodic restorative maintenance.

- Fast Start® Factory Finish protects the tile during installation and makes initial maintenance quick and easy.
- Features through-pattern wear layer for lasting performance, even under heavy traffic conditions.
- Available in 12" x 12" format for modular flexibility.

# Enhanced Traction for an Added Measure of Safety

Healthcare, education, and retail facilities have an extraordinary responsibility to protect the health and well-being of occupants with an environment that is clean, comfortable, and safe. Safety Zone™ Tile Flooring is designed with this in mind, providing enhanced traction for an added measure of safety where it matters most.

- 1. Exclusive Fast Start® Factory Finish
- 2. Through-Color/Pattern Wear Layer
