Kaleido™ Color Lab
Luxury Flooring

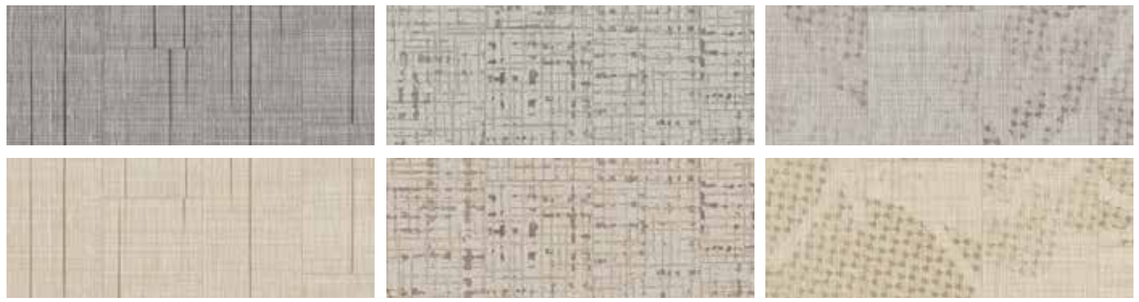

Kaleido™ Color Lab Semi-Custom Designs
MINIMUM ORDER: 2,500 SQ. FT. PER DESIGN

Embark on an adventure of creativity with the Kaleido™ Color Lab. Inspired by the fascinating beauty of a kaleidoscope, this program allows you to customize your LVT for floor and wall applications. You'll love the dynamic artistry and seemingly endless possibilities that Kaleido brings to your commercial spaces. Empowered to unleash your unique vision, you'll create floors and walls that perfectly reflect your project's personality, style, and flair.

It's Easy and Just Three Simple Steps to Create Your Masterpiece:

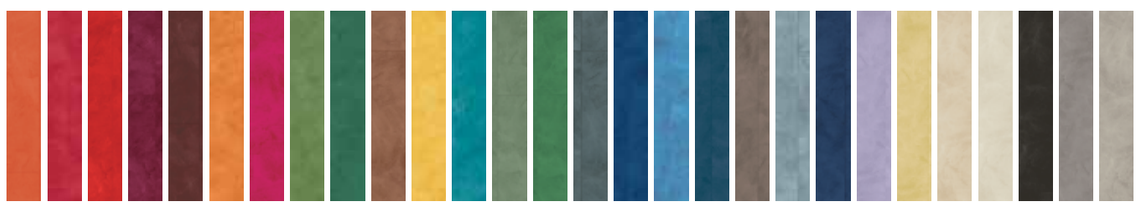

STEP 1

Choose Your Design Base – Select from three distinctive designs, each a unique blend of color and pattern.

STEP 2

Add a Pop of Color – Pick your accent color from our diverse palette, adding a touch of personality to your space.

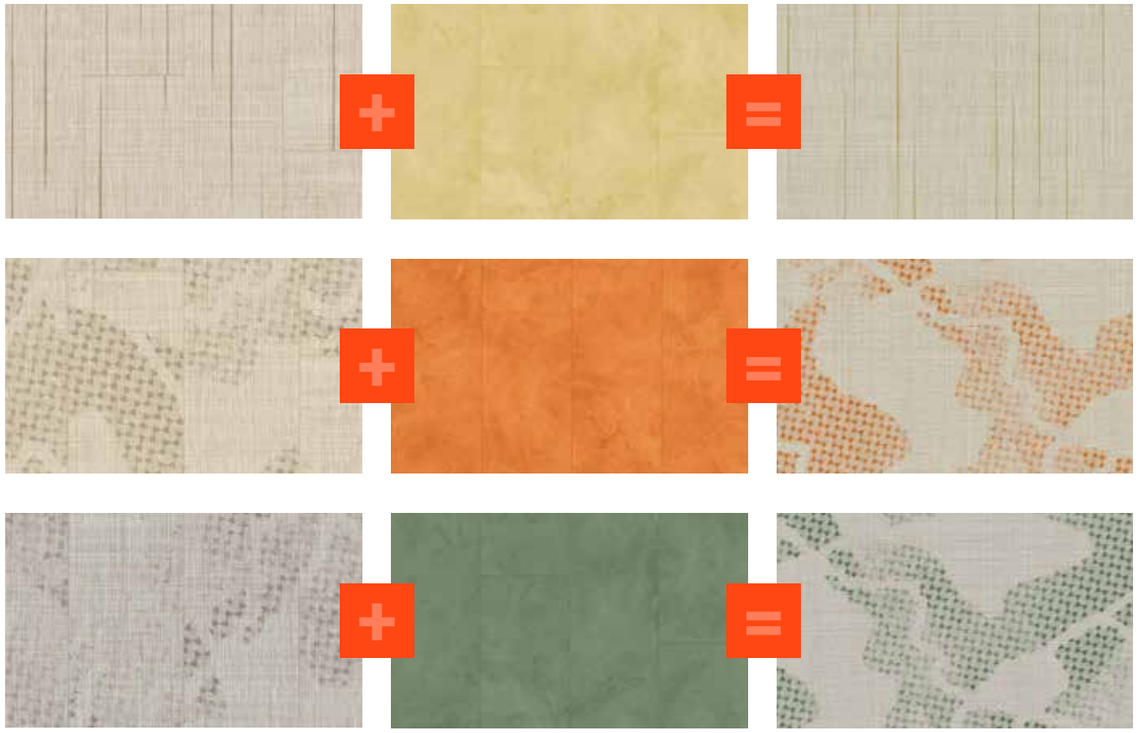

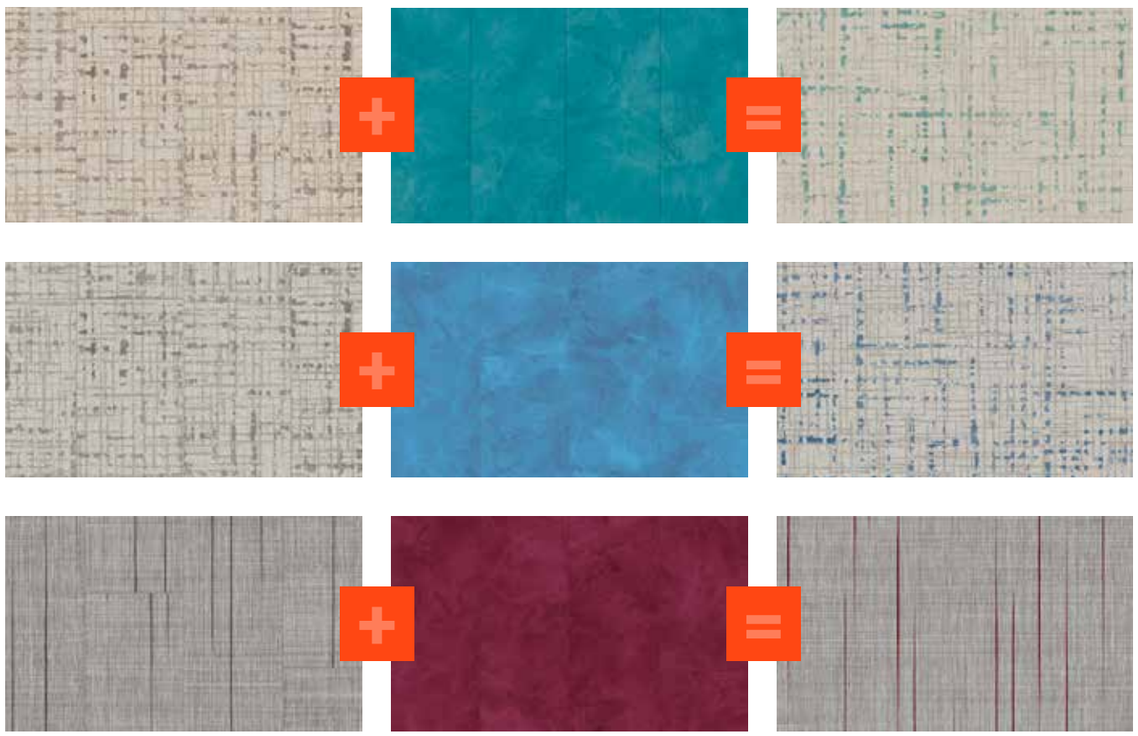

STEP 3

Select Your Size – Opt for one of our three popular sizes:

18" x 18"	18" x 36"	6" x 36"

The Stunning Result - a color-infused design that reflects your unique style and enhances commercial spaces. Whether you're creating wayfinding paths, showcasing school colors or corporate branding or simply making a bold statement, our semi-custom solution elevates the environment and will leave a lasting impression.

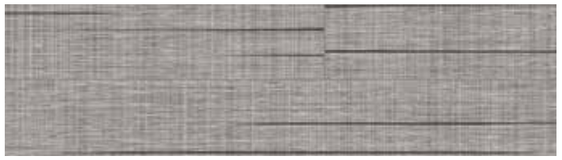

Kaleido™ Color Lab
Luxury Flooring

"Kaleido redefines what flooring can do," said Oxana Dallas, Principal Designer–Commercial. "it's not just a foundation—it's a design language. From intuitive wayfinding to brand storytelling, Kaleido curates the narrative and gives designers the power to shape how people move through and connect with a space."

Mixtera™ - Mosaic SC303 Beige Luster/Green Grass, **Tandem** ST567 Beige Luster; **Duo™ - Mixer 2** ST559 Green Grass

Kaleido™ Color Lab
Luxury Flooring

Flooring can take the lead in guiding flow and shaping identity—helping define spaces, direct movement, and create clarity across every kind of facility. With the power of color and pattern, flooring defines zones, supports intuitive wayfinding, and helps users navigate with precision and confidence.

Proven Performance

Diamond 10® Technology is a patented innovation that uses cultured diamonds to provide the ultimate in scratch, stain, and scuff resistance.

With Diamond 10 Technology, you'll never compromise the look you want for the durability you need. Made to stand up to the wear and tear of commercial settings, this low-maintenance solution keeps floors looking newer, longer.

Diamond 10 Technology®

1. **Diamond 10® Technology**
   Innovation that uses cultured diamonds to provide category-leading scratch, stain, and scuff resistance from edge-to-edge
2. **Rigid Wear Layer**
   The combination of Diamond 10® Technology and the unique rigid wear layer results in enhanced durability and abrasion resistance
3. **Realistic Printed Visual**
4. **Foundation Layer**
5. **Eased Edge**
   Designed to blend seamlessly into the next plank for ease of maintenance and cleanability
