

Commercial Densified Engineered Hardwood Limited Warranty

This Limited Warranty extends only to the original end-user. Our warranties are **NOT TRANSFERABLE**. The Limited Warranty described in this document is subject to the product applications and use, limitations, disclaimers and exclusions described herein and is effective for floors purchased on or after July 1st, 2025.

Throughout this document, references to “we”, “us”, “our”, “AHF” or “AHF Products” mean AHF, LLC dba AHF Products. References to “you” or “your” mean the original retail purchaser/end user of the engineered-hardwood flooring product. Your engineered hardwood flooring product will be referenced as the “floor”, “flooring”, “product”, “products” or some combination thereof. The term “Limited Warranty” is singular but encompasses any and all coverages provided for herein.

What Is Covered By This Limited Warranty?

Densified Wood is modified wood using extreme heat and pressure (patent pending) that increases the hardness and other properties of the material.

For purposes of this Limited Warranty, we warrant that the waterproof flooring, if exposed to topical liquids for no more than eight (8) hours, will resist topical staining and damage.

Although Densified Wood flooring is intended to be extra-durable, it is not indestructible. Sharp or pointy objects may cause damage. Damage may also be caused by furniture if proper precautions are not taken.

In addition, Densified Wood flooring includes a premium topcoat that incorporates an anti-microbial additive. Densified Wood flooring will resist permanent staining when thoroughly cleaned. We recommend the stain be cleaned immediately and not allowed to dry if possible.

In the case of standing water or flooding, Densified Wood flooring will not act as a waterproofing barrier and will not protect the subfloor and/or any surrounding structure. Moisture can penetrate subflooring from the bottom up, by going through the expansion joint(s)/perimeter of the floor, and/or by going through the walls; this Limited Warranty does not cover such infiltration. Water can still penetrate the joints of Densified Wood flooring. See the “What is Not Covered By This Limited Warranty” section below for further explanation

What Is Excluded From This Limited Warranty?

TO THE EXTENT PERMITTED BY LAW, WE EXCLUDE AND WILL NOT BE LIABLE FOR OR PAY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, INCLUDING BUT NOT LIMITED TO PERSONAL INJURY; PROPERTY DAMAGE; DAMAGE TO OTHER PROPERTY; ANY DAMAGE OTHER THAN TO THE FLOORING ITSELF THAT MAY RESULT FROM A DEFECT IN THE FLOORING; DIMINUTION IN PROPERTY VALUE; COSTS OF RENT OR MOVEMENT OF FURNITURE; THE REMOVAL OR REPLACEMENT OF MOLDINGS, CABINETS AND/OR FIXTURES; RETAIL MARKUPS; INSTALLATION OR LABOR PROVIDED BY OTHERS; OR SUPPLEMENTAL COSTS AND OTHER ADDITIONAL EXPENSES, INCLUDING BUT NOT LIMITED TO, RELOCATION DURING THE REPAIR PROCESS SUCH AS HOTEL, MEALS, OR MOVING AND STORAGE OF FURNITURE, EVEN IF THE MANUFACTURER HAS BEEN ADVISED OF SUCH DAMAGES. THIS LIMITED WARRANTY CONSTITUTES THE ONLY EXPRESS WARRANTIES FOR THE PRODUCT PURCHASED.

ALL NON- CONSUMER PRODUCT(S), ALL WARRANTIES OTHER THAN THIS LIMITED WARRANTY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED TO THE EXTENT PERMITTED BY LAW AND FOR, IF ANY IMPLIED WARRANTY ARISES UNDER APPLICABLE LAW, ANY AND ALL IMPLIED WARRANTIES (INCLUDING ANY WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE) ARE LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY AND TO THE EXTENT ALLOWED BY LAW.

SOME STATES DO NOT ALLOW EXCLUSION OR LIMITATIONS OF INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

THESE WARRANTIES GIVE YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. Unless otherwise precluded by law, this

Limited Warranty shall be construed in accordance with the laws of the Commonwealth of Pennsylvania without regard to any of its conflicts of laws provisions.

What Is NOT Covered By This Limited Warranty?

You should care for your flooring as outlined in Caring for AHF Product Commercial Hardwood Flooring, which can be found at www.floorexpert.com. You can also request a hard copy by calling 1-866-243-2726. The Limited Warranty provided by us does not cover the conditions described below, including those which are caused by improper installation, use or maintenance:

1. Reduction in gloss, marks, scuffs, scratches, gouges, dents or cuts, including, without limitation, those caused by spikes or high heeled shoes.
2. Damage caused by (i) negligence, accidents, and/or accidental or intentional misuse or abuse (i.e., dragging an object across the floor without proper protection), and/or (ii) caster wheels or vacuum cleaner beater bars.
3. Failure to support furniture with floor protectors that are at least one inch in diameter, made of non-staining felt or non-pigmented hard plastic, rest flat on the floor and are replaced regularly.
4. Wear caused by pebbles, sand or other abrasives; construction traffic; or failure to maintain the floor as required.
5. Splits, cracks, grain raising, checking, edge fracturing, splintering, chipping, buckling, end lifting, swelling, shrinking, cupping and bowing that occur during or after the floor has been installed and as a result of abuse, misuse, improper maintenance or care, exposure to excessive moisture or improper environmental conditions (i.e., low or high humidity). Natural expansion and contraction resulting in separation between boards or damage caused by low or excessive humidity are also not covered by this Limited Warranty. The use of a humidifier/dehumidifier may be necessary to maintain the proper humidity level between 30%-50%.
6. Damage caused by fire, flooding, and other natural disasters and Acts of God.
7. A product deformity that is not measurable or that is visible only under certain light or from a certain angle is not considered a defect and therefore, is not covered by this Limited Warranty. Visible defects should be evaluated by their visibility from a standing position in normal lighting.
8. Natural wood characteristics such as variations in grain, color, mineral streaks, knots, normal differences between color of samples and the color of installed floors, and color variations from board to board. Hardwood is a natural product with inherent character and variation.
9. Variations in color, such as:
 - a. Color, shade, or texture variations between samples, printed color photography or replacement flooring and the actual material. Although we make every attempt to accurately reflect the potential variation in our samples, hardwood’s natural character and variation make it impossible to fully reflect all possibilities you can see in a finished installation.
 - b. Color variations between flooring and/or samples and other flooring or wood products, which you wish to match (e.g., cabinets, stair railings, trim, etc.).
 - c. Changes in color due to aging, excessive moisture, exposure to sunlight or Ultra-Violet rays (which may cause oxidation of finish/ stain). Certain species including, but not limited to, American Cherry, Walnut, Brazilian Cherry, Acacia, Tigerwood, Santos Mahogany and African Mahogany are especially susceptible to color change. Area rugs should be moved occasionally, as they block sunlight and may give the appearance of discoloration under the rug.
10. Floors that are installed in other than owner-occupied or tenant- occupied residences.
11. Deficiencies related to subfloor/floor joist assemblies, subfloor preparation materials, and fasteners including, but not limited to, uneven subfloor surfaces, floor deflection or voids in the subfloor.
12. Moisture or damage to the subfloor or surrounding structure(s), walls, fixtures, furniture, underlayment, moldings, trims, subfloor heating elements, or anything that is not the structural integrity or dimensional stability of the floor.
13. Floors damaged by subfloor moisture or water damage, including without limitation, due to broken or leaking water pipes, flooding, wet-mopping spills or weather conditions. Mold and mildew growth or damage resulting therefrom is also not covered.

14. Wood flooring installed in full bathrooms with a shower or tub.
15. Construction- or installation-related damage.
16. Noises including, but not limited to, squeaks, popping and the like. Some level of noise is inherent in all hardwood floors. Excessive noise, such as squeaking and popping, is usually caused by environmental factors or installation issues not attributable to the product itself.
17. Installation defects, including installations made (i) in violation of applicable state or local housing or building codes, or (ii) contrary to written instructions. NOTE: YOU AND YOUR INSTALLER ARE RESPONSIBLE FOR INSPECTING THE FLOORING PRIOR TO THE INSTALLATION. WE ACCEPT NO RESPONSIBILITY FOR LIABILITIES, CLAIMS OR EXPENSES, INCLUDING LABOR COSTS, WHERE FLOORING WITH VISIBLE DEFECTS HAS BEEN INSTALLED.
18. Products designated as "thrifty," "antique," "tavern," "bargain," "cabin grade," "seconds," "economy grade," "close-out," "off- goods" or "non-standard." Such products are sold "AS IS."

What Are YOU Responsible For Under Our Warranty?

To be covered under this Limited Warranty (except under the Pre-Installation Defects Warranty found in the Footnotes) you need to retain your proof of purchase (invoice, contract, purchase order, etc.) and make sure the flooring is properly installed, used and maintained in accordance with our installation instructions.

You must also properly care for your new floor using the Caring for AHF Products Commercial Hardwood guide found at www.floorexpert.com (call 1-866-243-2726 to request a hard copy). We recommend that you use only our specially formulated floor care products to preserve your flooring. Use of floor care or sundry products (i.e. adhesives) other than those we have specially formulated and recommend for use with our flooring may damage your floor and may void this warranty.

Humidity's Impact On Your Floor.

To protect your investment and ensure your floor provides lasting satisfaction, the following precautions should be taken to help control humidity levels in and around your floor. **For best results, keep the relative humidity in your building between 30% and 50%.**

- Heating Season (Dry Conditions) – A humidifier is recommended to prevent excessive shrinkage in hardwood floors, which causes gaps between the boards, due to low humidity levels. Wood stoves and electric heat tend to create very dry conditions.
- Non-Heating Season (Humid and Wet Conditions) – To prevent excessive expansion, cupping and peaking of the floor, which could lead to cracking and checking of the wood finish, maintain proper humidity levels with the use of an air conditioner, dehumidifier or by turning on your heating system periodically during the summer months. Immediately wipe up spills and wet areas to avoid excessive exposure to water. Do not obstruct in any way the expansion joints around the perimeter of your floor.

What Will We Do If A Covered Warranty Event Arises?

If any of the covered events listed in this Limited Warranty occur within the warranty periods specified for the respective flooring product, we will recoat, refinish, fill or furnish comparable flooring (of our manufacture and of similar color, pattern, and quality), for either the repair of the defective area or the replacement of the floor, at our option. In the unlikely event we are unable to correct the problem after a reasonable number of attempts, we will refund the portion of the purchase price for the section of failed flooring. If your floor was professionally installed, we will also pay reasonable labor costs for the direct repairs or replacement within the first five years of the warranty period, or the length of the warranty period, whichever is less, based on the following schedule:

- Within one (1) year of warranty period: labor reimbursed at 100% of reasonable and customary charges.
- Within the first one (1) to two (2) years of warranty period: labor reimbursed at 50% of reasonable and customary charges.
- Two years (2) to five (5) years of warranty period: labor reimbursed at 25% of reasonable and customary charges.
- Five (5) years or more of warranty period: no labor reimbursed for warranty claims.

The above statements provide the exclusive remedies under this Limited Warranty if a defect or other warranted condition occurs. We reserve the right to verify any claims or defect by inspection and have samples removed for technical analysis.
