

100 MILLION POUNDS & Counting

The Armstrong Flooring On&On™ Floor Recycling Program helps keep flooring materials out of landfills. It's a closed-loop process, so reclaimed materials are recycled into new Armstrong Flooring products. Together with our customers, we have saved over 100 million pounds of material – and we're not stopping there.

TO DATE, WE'VE

DIVERTED
more than 50,000
tons of material
from the landfill

Conserving natural
resources & reducing
environmental impacts

SAVED
1.3 billion
gallons of water

That's enough to fill
2.7 million bathtubs

ELIMINATED
44 million kg of
greenhouse gases

That equates to
removing emissions
from 25,000 cars

CONSERVED
154 million kWh
of energy

That's enough
to power 12,000
homes for a year
