

LABORATORY QUALITY POLICY

Armstrong Flooring Pty Ltd's Resilient Flooring Laboratory is committed to continual improvement of processes and services to achieve ongoing customer satisfaction by complying with the ISO/IEC 17025:2017 requirements.

Our Policy:

- Consistently perform the Wet Pendulum testing that conforms to the requirements in Appendix A – AS4586 and AS4663.
- Ensure all authorised personnel are impartial, competent and qualified to perform activities related to the Wet Pendulum testing.
- Ensure all authorised personnel familiarise themselves with the contents of the Wet Pendulum Testing Management Plan and associated documentation.

We ensure these commitments are adopted throughout the organisation and reviewed on a regular basis for suitability.
