Armstrong Flooring Wins Three Product Awards at NeoCon 2021

MedinPure™ PVC-Free Sheet, Rest and Refuge™ Rigid Core, and Terra™ Luxury Flooring all honored at annual trade show.

LANCASTER, Pa. (October 4, 2021) – Armstrong Flooring is proud to announce that three products were honored with top awards at NeoCon 2021 in Chicago, Ill. **MedinPure™** PVC-Free Sheet (Healthcare: Flooring) and **Rest and Refuge™** Rigid Core (Hard-Surface Flooring: Vinyl/LVT) were both awarded Gold in Best of NeoCon awards. Additionally, **Terra™** Luxury Flooring (Flooring: Workplace, Hard Surface) earned an Interior Design HiP Award.

“We are honored to have been selected for product awards at NeoCon,” said David Thoresen, Senior Vice President, Product and Innovation. “It’s a testament to our commitment to innovation to have three award-winning products in three different product categories. It also speaks to the exceptional teams we have in place, and that our focus and hard work continues to move the business forward in the right way.”

Best of NeoCon

About MedinPure PVC-Free Sheet

Category — Healthcare: Flooring

MedinPure is a PVC-free homogeneous sheet that uses a patent-pending formulation, including coordinating PVC-free weld rods for aseptic areas. MedinPure is free of Ortho-Phthalates, Halogens, Isocyanates and Red List Chemicals of Concern.

About Rest and Refuge Rigid Core

Category — Hard-Surface Flooring: Vinyl/LVT

Rest & Refuge offers innovative and thoughtful design for the Hospitality segment. With an ultra-dense core providing impressive dent resistance, a top-down 100% waterproof structure, and an attached pad for single product acoustic performance that enables quick installation with no acclimation in most spaces, Rest & Refuge is the ultimate welcome package.

Interior Design HiP Awards
