| | AS 4586 (Appendix A) | P2 | P2 |

*100% Waterproof means when exposed to water, EMPOWER and EMVISION Luxury Hybrid Rigid Core planks are waterproof and will not swell, buckle or lose integrity. If exposure to water occurs, EMPOWER and EMVISION™ flooring installation system (locking mechanism) will remain secure.

While EMPOWER and EMVISION is waterproof, EMPOWER and EMVISION is not a substitute for a damp proof membrane, and in the case of flooding, EMPOWER and EMVISION Luxury Hybrid Rigid Core planks will not act as a waterproofing barrier for the sub floor and/or any surrounding structure. Any damage to the sub floor and/or surrounding structure that is caused by flooding is not covered by this warranty.

EMPOWER and EMVISION Flooring is not recommended for installation where 'falls to waste' are required.

** Please see our full limited lifetime residential warranty on our website.

Variations may occur between photographic images, samples and batches in terms of colour, shade, pattern or similar. Samples are for display purposes.

Gauge may vary from actual material.
