ALTERNA® RESERVE
ENGINEERED STONE FLOORING
A COMFORTING TOUCH

Alterna flooring is meant to be loved and lived on. Unlike stone or ceramic, it’s warm, comfortable surface is kinder to your feet, your family and anything you may drop on it.

REST ASSURED

Easy to clean, care for and crafted to stand up to a lifetime of activity. Kids, pets, water, high traffic, everyday mess and muck... Alterna flooring handles it all.
Inspired by the rich character of reclaimed timbers, Alterna engineered stone is reimagined. Enjoy a fresh take on tile... all the character and detail of hardwood without the vulnerability.

Gorgeous wood-inspired visuals are enlivened with the tell tale graining, distressed finishes and charming knots and knicks of hardwood that has been aged over time.

While boasting their own individual look, all wood designs complement each other beautifully. Create an intriguing space, mix colors and sizes. Experiment.
BRANCHING OUT

Intricately detailed designs create stunning floors and walls. Imagine and then create backsplashes, accents and dynamic focal points.
