THE ARMSTRONG 10-YEAR LIMITED LIGHT COMMERCIAL WARRANTY FOR:
Summit™

▪ **What Is Covered and For How Long?**

For light commercial installations (example: common areas in multi-unit dwellings and low-traffic retail shops) the product is warranted to be free from manufacturing defects for 10 years from the date of purchase. If a defect covered by this warranty is reported to Armstrong in writing within 10 years of purchase, Armstrong will supply new material of the same or similar grade sufficient to repair or replace the defective material.

What Will Armstrong Do If Any Of The Above Happens?

If any of the above should occur within the warranty periods specified above for each flooring product, Armstrong will furnish comparable Armstrong flooring of similar color, pattern, and quality, for either the repair of the defective area or the replacement of the floor, at our option. And, if your floor was professionally installed, Armstrong will also pay reasonable labor costs for the direct repairs or replacement.

Armstrong will replace or repair a floor discolored from mold, mildew or alkali one time. If the replacement or repair fails in the same manner a second time, the flooring conditions may not be acceptable for the installation of sheet vinyl.

What Is Not Covered By This Warranty?

- Damage caused by fire, flooding, or intentional abuse.
- Damage caused by vacuum cleaner beater bar, caster wheels, and cutting from sharp objects.
 - When vacuuming, we recommend using the wand attachment on your vacuum.
 - Because rolling casters can damage the floor, we do not recommend them.
- Loss of gloss/scratching.
 - If some dulling occurs over time, depending on the amount of traffic, care, and maintenance the floor receives, restore the floor’s shine, using Armstrong’s Shinekeeper Floor Polish.
- Minor color, shade or texture variations between samples or printed color photography and the actual material. Floors that are not graded “regular”.
- Floors that are installed in other than owner-occupied or tenant-occupied residences.
- Commercial installations of residential products.
- Construction or installation-related damage.
- Floors discolored from moisture or underlayment panels after having been repaired or replaced by Armstrong one time.
- Floors damaged by excessive moisture from sources such as flooding and water leakage.
- Installation defects.

Additionally NOT Covered for vinyl sheet floors:

- Damage caused by abuse such as moving appliances across the floor without adequate protection
 - When moving appliances or heavy furniture, lay a plywood panel on your floor and “walk” the item across it. This protects your floor from scuffing and tears.

What Is Excluded From This Warranty?

Armstrong excludes and will not pay incidental or consequential damages under this warranty. By this we mean any loss, expense, or damage other than to the flooring itself that may result from a defect in the flooring. No implied warranties extend beyond the terms of this written warranty.

Please note: Some jurisdictions do not allow exclusion or limitations of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.

Also note: This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

This warranty applies to floors purchased after May 1, 2007.
