

Armstrong Flooring - Commercial Laminate Limited Warranty

Products

Armstrong Flooring guarantees to the original purchaser that, from the date of purchase through the limited warranty period (see applicable products and years), your locking laminate floor: will not stain; will not fade from sunlight or artificial light; will not wear-through the decorative print layer; will be free from manufacturing defects; will not unlock at the seams.

Armstrong Flooring Limited Warranty Protection Means

If you make a claim and follow our service procedures within the first year after date of purchase, Armstrong Flooring will provide materials either to repair or replace the defective area of the floor at our option. If the floor was professionally installed, Armstrong Flooring also will pay reasonable labor costs to repair or replace the defective area of your floor. If you make a claim after the first year after date of purchase and before the end of your limited warranty period, Armstrong Flooring will provide or pay a percentage of the reasonable material and labor costs (if the floor was professionally installed), for repair or replacement, at our option, of the limited warranted product. This percentage will be based on the number of years from the date of purchase and the remaining limited warranty period of the product, up to date (see example) after date of purchase. Example: For a professionally installed product, which is covered by a 15-year warranty, Armstrong will pay 12/15th (or 80%) of the reasonable material and labor costs on an approved claim submitted 3 years after the date of purchase.

NOTE: Any repair or replacement is limited to colors and styles of products available at the time of repair or replacement. If the original design is no longer available, Armstrong Flooring has the right to substitute another Armstrong® floor design of similar value. The product must be of a similar structure and the customer may choose the design. See ArmstrongFlooring.com for full limited warranty details.
